Located between Bern and Interlaken, the 5-star BEATUS Wellness & Spa Hotel receives its guests on Lake Thun's riviera. Built in 1961 and renovated several times, the hotel has a total of 71 rooms, including 12 suites and the 40 m<sup>2</sup> Eiger junior suites for overnight accommodations. The hotel was last renovated in 2016.

Here across from the area's local mountain, the Niesen, it won't be hard to leave one's daily cares behind. Your holiday begins when you cross the hotel threshold, thanks to a mix of contemporary and retro designs and nostalgic piano music wafting from the bar. The wellness oasis at 2,000 m<sup>2</sup> offers plenty of opportunities to relax: "Vitalità" SPA, sauna park, outdoor SOLBAD salt-water pool, und much more.

Those who venture outside the hotel will find diverse water sport activities and relaxing rides on Lake Thun, with spectacular views of the Eiger, Mönch and Jungfrau, aboard the hotel's own boat; there's also a 12,000 m<sup>2</sup> park with a beach and a weekly programme of guided walks and excursions.

The gourmet restaurant "Le BelAir" and the à la carte restaurant "Orangerie" ensure for guests' culinary well-being. Guests who have booked the 3/4 board for connoisseurs will receive a warm welcome in the restaurant "Table d'Hôtes".
